Iran, Tehran, Darband

Summary

Over the 17+ years of my career, my portfolio includes **UI / UX design, front-end development** and Social media design. I've involved in **web and mobile products** for **Design agencies and a range of Startups** in a variety of industries and work with large companies. Passionate about **making products with a result-driven and process-centric approach** with Cross-functional teams and tight sprints.
